Counterterrorism/Pipeline Security Workshop

December 16, 2002

On December 16-17, the United States Government was conducting a Counterterrorism/Pipeline Security Senior Policy Workshop with senior Azerbaijani officials. Ms. Stephanie Kinney, Deputy Coordinator for Counterterrorism Policy, Plans, Programs, and Public Diplomacy at the U.S. Department of State, led the 12-member U.S. Government interagency delegation conducted the workshop.

During the course of her visit, Ms. Kinney also was conducting bilateral discussions on counterterrorism with Azerbaijani officials.

On December 17-20, a United States Government team, under the auspices of the Anti-Terrorism Assistance Program, was conducting a Senior Pipeline Security Operations Course for Azerbaijani officials directly responsible for pipeline security.
